

Welcome to our home away from home! We hope you enjoy your time here as much as we do! We do our very best to ensure your stay is carefree and relaxing so that your vacation begins the moment you step through the door.

A few quick notes to make your stay more enjoyable!

- The wifi network is MySpectrumWIFidO-2G and the password is purpletiger068
- Please use the elevator to transport luggage, groceries and food items going to and from the kitchen to the grill. This keeps the paint and walls from being damaged in the stairwells.
- The “Nest” thermostats can be adjusted by pressing the device, gently turning the outside knob to “cool” or “heat” and adjusting the temperature accordingly.
- Towels are available for your use inside and out. Please shake out the sand before putting any laundry in the washing machine.
- Turtle season is from May to September. Please do not leave the deck light on overnight.
- Please put your trash and recycling in the bins near the carport. Someone will pull them to the street late Sunday for Monday pick up.
- Everything you find in the home and in the outdoor areas is yours to use during your stay. Please take care of the amenities we provide and put them back where you found them at the end of your stay.
- If you have ANY questions or concerns during your stay, please do not hesitate to let us know. Christine Blevins is your on-site host and lives nearby if you need something quickly. Her number is 910-988-9637. You may also contact me, Cindy Hadfield, via the AirBnB or VRBO messaging service or text/call me directly at 937-608-7032.

ENJOY YOUR STAY!
